MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT : Comments on Proposed Regulation No. [REDACTED]  
"Employee Welfare Fund"

25X1A

The following are the comments of the members of the Staff of the Deputy Director (Administration) on subject Regulation:

a. The last sentence of paragraph 6 seems somewhat out of place in this Regulation. A more general statement would seem preferable, such as, "When the deceased may not be identified with the Agency, a noncompromising message approved by a representative of the Security Office shall be used."

b. The provision in paragraph 6 that messages of sympathy be signed by the Assistant Director for Personnel for the Agency has led to the suggestion that the gesture would be more effective if the message were in the name of the Director of Central Intelligence.
